TASTE CINEMAS MENU

COURSE 1

CONFESSION & CONFECTION

Mini spinach & artichoke crostinis cozied up with sweet potato bites drizzled in a balsamic glaze hug. It's like your taste buds just found their lobster.

COURSE 2

REDEMPTION TRIFLE

Remember the iconic trifle with peas, beef, and onions? Yeah... we fixed it. Pistachio halwa instead of peas, dark chocolate crumble instead of beef — and absolutely zero sautéed onions.

COURSE 3

KNOCK FOR CANDY

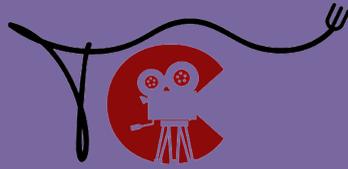

A purple-to-yellow sip inspired by the iconic peephole door, served with a tiny jar with miniature candies.

COURSE 4

CUTE TUSHY SLIDERS

Juicy portobello & caramelised onion sliders with truffle aioli fries, served in a top-secret "CONFIDENTIAL" box.

COURSE 5

THE I-HATE-CLUB ROAST

A Thanksgiving-worthy feast — maple-mustard roast chicken or grilled halloumi, with cumin-roasted carrots, pomegranate glaze, and rosemary yam purée.

COURSE 6

THE FINE-RITA

Classic or Virgin margarita — inspired by the uncomfortably tense dinner. Sip like a Señorita while pretending everything's juuuust fine.

COURSE 7

THE FLAMING FAJITAS

Smoky chipotle-lime veggie fajitas with molten jalapeño queso — sizzling hot and served with all the top dinner table drama (oven mitts optional).

COURSE 8

FAUX FINE FLAN

Silky flan with warm spiced caramel — sweet enough to make up for one of those most fine (read: painfully awkward) dinners.
